GOLDEN TETON

—The Home of—

:—:

AND MODERN GLADS

SILVERY TETON

Gage T. Holloway

(1945)

Henry, Nebraska

Give fools their gold and knaves their power;  
Let fortune's bubbles rise and fall;  
Who sows a field or trains a flower,  
Or plants a tree, is more than all.

—John Greenleaf Whittier.

It is truly a privilege to again send our list to the finest lot of customers and friends that ever grew Glads and while you could get along nicely without us, we wouldn't fare so well in the absence of your appreciated letters. They really do make life worth living and it perhaps thrills us even more to read these fine letters than to see the "Masterpieces of Gladdom" unfold their irresistible beauty in our garden. We prize your friendship and that of the many customers who are constantly coming to us, and our sincere thanks and appreciation as it is you who have increased our business beyond all expectations.

## OUR APOLOGY

To those who have asked for a "Fall List": It is with regret that through the years we have never been able to harvest our bulbs, get them checked, and have sufficient time to be in a position to issue a Fall List.

## "MOON SIGN BOOK"

Valuable publication. 256 pages. annually compiled by Llewellyn Publications, Ltd. Get in harmony with nature—it pays. Do not place dependence in ordinary almanacs. They are seldom astrologically correct, are often misleading and the cause of disappointing failures when used for planting purposes. As a rule they are not calculated zodiacally and therefore do not give the moon's signs correctly. Post-paid \$1; supplied with bulb orders aggregating \$10 or over for 75c each.

## —1945 INTRODUCTIONS—

**RED RASCAL** (Dr. Graff) A slightly darker shade and a real competitor to the doctor's massive red show winner "INTRUDER", a 1944 release and to be found priced in General Prepaid List.

Priced \$5 for any size bulb; no bulblets.

**DREAM GIRL** (Krueger) Rightly named and a lovely light rose pink with small rose blotch that was awarded champion seedling at two important shows.

Priced \$5 each for small bulbs; no other sizes or bulblets sold.

**EXCLUSIVE** (Krueger) Giant ruffled creamy white with rose feather that had all the good qualities necessary to win champion single spike seedling Midwest 1943.

Priced L. \$4; M. \$3; S. \$2; Bts. .40; 10 for \$3.20.

**VOODOO** (Kadel) Very large ruffled violet red etched on a cream background, often called a smoky plum and of American Home Achievement Award calibre in 1943.

Priced any size bulb, \$2; Bts. .30; 10 for \$2.50.

**GAYLY CLAD** (Kaylor) New shade of deep pink, a child of "TUNOLIA"—the new type deep cupped flower of much merit.

Priced \$3 for any size bulb, no bulblets.

**TWILIGHT** (Kaylor) A new shade of lavender tinted flower of good size and with blue arrow on lowers that sets it off like a show girl.

Priced \$3 for any size bulb; no bulblets.

**DORA DEAN** (Kaylor) Exceptionally large brilliant orange red that stands up under the sun.

Priced \$3 for any size bulb; no bulblets.

**DANNY DANTON** (Kaylor) At last an improved Leschi, larger, taller, and black velvet blotch in throat.

Priced \$1 for any size bulb; no bulblets.

## —RECENT INTRODUCTIONS—

**MYSTERY** (Stinson) Fine large exhibition pink with touch of rose in throat that won the American Home Achievement Medal and Award of Merit in Canada.

Priced L. \$2; M. \$1.50; S. \$1; Bts. 1 for .25. 10 for \$2.25.

**BENGASI** (Cave) Perhaps the greatest achievement in recent years. A rich pink blending to white throat that has little competition on the show table.

Priced M. \$7.50; S. \$5; no bulblets.

**CONNECTICUT YANKEE** (Schenetsky) Beautiful light pink with orange scarlet throat blotch and one of the best.

Priced: Size 1-2-3, \$5 each; Size 4-5-6, \$2.50 each; Bts. 50c. 10 for \$4.

**SILVER WINGS** (formerly P-39) (Ritsema) White sport of Picardy and a real ruffled super white. The show sensation of 1944 and valuable.

Priced L. \$7; M. \$6; S. \$5; Bts. 1 for .60; 10 for \$4.80.

**EGLANTINE** (Dr. Scheer) Very large exhibition pink of beautiful color.

Priced L. \$10; M. \$7.50; S. \$5; Bts. \$1. 3 for \$2.50.

**TINTED TWILIGHT** (Zimmer) Pale Persian lilac with cream throat that appears to be a very good new one.

Priced L. \$7.50; M. \$6; S. \$5; Bts. .75; 10 for \$6.

**SUMMER GAL** (Zimmer) Large glowing geranium pink with rose feather in throat. Another fine 1944 introduction.

Priced L. \$7.50; M. \$6; S. \$5; Bts. .75. 10 for \$6.

While we offer no discount on the 1945 and recent introductions, in order to give customers a good break on a collection of your choice and with the exception of Bengasi and Connecticut Yankee, you may select any three or more varieties, either bulbs or bulblets where listed, no two bulb or bulblet items alike, and deduct 10% discount. Furthermore, you can expect us to go a little stronger in the inclusion of top extras for trial.

#### —SWEET ORCHID—

This beautiful variety will be found priced in our General Prepaid List, also in our "Super Specials", and deserves further comment. Mr. Rich, the originator, really has the "Rich" in this one, unsurpassed in a "Rich" orchid shade. In fact, we have never grown anything approaching the color to compare with it—placement excellent, of exhibition size, vigorous grower, Mother Machree seedling, 75-80 days, at its best and exceptionally beautiful when grown from large bulbs. Will be a winner commercially and for the show table when better known.

Without doubt, this is a "Gem" that has been overlooked, now down in price, very little profit for us in the sale of bulbs, but a far better variety than some new introductions that have sold for \$10 per.

Just had to tell our story, and congratulations to Mr. Rich.

#### —SILVERY TETON—

A grand rose red and if you are partial to the old "Dream O' Beauty" for reason of the lovely color, this will be your favorite. The perfect placement on a much taller spike, together with the added silver sheen, makes this one of the most beautiful cut flowers, a winner of many blue ribbons and a one time "Grand Champion". Prices elsewhere in our list.

#### —GOLDEN TETON—

Many reports would denote this is the best yellow for some sections of the country, particularly in the south, a rapid propagator, one of the best as it grows here and is in much demand with the florists. Now down in price and well worth trying in your soil. Priced elsewhere in list.

#### —PACIFICA—

A beautiful white cut flower and one that has been unquestionably overlooked. The nearest thing we have to that grand variety "SILVER WINGS". Not quite as large a flower, but with virtually the exact ruffling. The fast propagation and vigorous growing qualities contribute to its value. Priced elsewhere in list.

#### GENERAL PREPAID LIST

Relative to our General Prepaid List: With the exception of varieties marked "No Discount", you may deduct 20% on orders aggregating \$5 or more, mailed not later than March 1, and 15% on orders mailed thereafter, which is equivalent to a cheaper price for the quantity buyer. A 25% deposit will hold your bulbs until Spring. THESE DISCOUNTS DO NOT APPLY TO OUR WHOLESALE LIST OR SPECIALS.

We take pride in our reputation of not being outdone by other growers in the inclusion of extras and overcount; however, you will find your shipment even more profitable when you wish to pay transportation on your order.

Please remember discount—On items priced per 10, you may have 3 bulbs at the 10 rate, providing the aggregate of such items is not less than 15c.

## —THE NEW HARDY EVER-BLOOMING CHRYSANTHEMUMS - - MUMS—

Shipments will go forward during the month of May and we regret our inability to comply with requests for early shipments. These plants are rooted much better in late spring. Early June is the better time for our planting here. They represent a mass of bloom in the fall and an unequalled attraction.

Priced 25c each; 20 for \$3 prepaid, and no order for less than \$2, please.

Wholesale—Not less than five of one variety—50 for \$5; 100 for \$7, express collect. (We have a habit of being generous with our extras on all orders).

Early varieties marked (\*). Extra early varieties marked (\*\*). (LIST NO. 1).
